FIELD OFFICE TECHNICAL GUIDE NOTICE OK450-198

SUBJECT: Release revised standards for Pest Management (595), Cross Wind Trap Strips (589C), Vertical Drain (630), Brush Management (314), and Oklahoma Index for Section IV. Release revised Pest Management job sheet (JS 595 01), OK-CPA-16 Integrated Pest/Brush Management Plan, Section I – Index - Oklahoma Reference List, Section III – Index - Resource Management Systems and Quality Criteria, Index - Resource Quality Criteria, Resource Concerns and Quality Criteria for SWAPA.

Effective Date: Effective when received.

Explanation of Changes: The above standards have been revised to reflect changes made in the national standards. Table 1 of the Pest Management (595) standard has been updated and reformatted to reflect the current list of registered restricted use pesticides in Oklahoma. A link to the Greenbook website has also been added in the Pest Management and Brush Management standards for users to reference labels for chemicals. Six new Excel worksheets have been added to the OK-CPA-16 to provide planners with more options for pest management planning. A Herbicide Calculator worksheet has also been added to the OK-CPA-16. Tables 4-6 of the Brush Management standard have been modified to add Cimarron Max and update application rates and species controlled. Table 6 has also been modified to clarify active ingredients and volumes for broadcast treatment rates. Conversion factors have been added to Table 2 for converting lbs. of active ingredient to the amount of product to apply. The Oklahoma Quality Criteria in Section III has been revised to reflect changes made in the national Resource Concerns and Quality Criteria list. A column entitled “Measurable Units” has also been added to the Quality Criteria. The Oklahoma Reference List, Resource Management Systems and Quality Criteria Index, Resource Quality Criteria Index, and Oklahoma Index for Section IV have been updated to reflect the above changes in documents.

Filing Instructions: All the above documents can be accessed on the Oklahoma eFOTG website.
